Summer ESCAPES

Memory Making on the East Coast

"This space showcases a blend of modern and rustic design elements, creating a warm, inviting, and sophisticated atmosphere. The exposed wooden beam on the vaulted ceiling introduces an architectural focal point while the clean lines and neutral color palette contribute to a light and airy feel."

ACT NATURAL

A local interior designer breathes new life into a living room and dining space for a family in Newport Beach, California.

BY JENNIE NUNN

1. Ward Coffee Table, Distressed Mindi, Noir Furniture, nourfurniturela.com "This was selected to ground the living space with a hint of sophistication."

2. Alexander Chairs with Leather, Noir Furniture, nourfurniturela.com "They complement the coastal setting along with being interesting elements in the room."

3. Dining Room Rug: Pathways TRA-15269 White/Ebony Hand-Tufted Rug, Jaipur,

jaipurrugs.com. "Juxtaposing a striped rug near the tightly striped poufs creates a dynamic interplay of patterns."

4. Breton Pool Chaise, CB2, cb2.com "The design is not like your typical outdoor furniture. The unique play of wicker and metal serves as visual interest and sits beautifully on the traditional brick hardscape."

5. Lintex 05 Flax Fabric, Designers Resource Collection,

drcshowroom. squarespace.com "Selecting the drapery fabric was an easy decision. I wanted a fabric with a soft, natural texture but that still provided privacy and light control."

6. Drapery Hardware, Solé Shades, soleshades.com. "I love to use local artisans and make it non-negotiable in each of my projects. This blacksmith has made rods, brackets, and rings

that are unlike any found in a store."

7. Dining Table, Gabby, gabby.com "Coming across this dining table, I knew it would create a fresh, clean focal point and enhance the room's openness."

8. Rough-Sawn Faux Wood Beams, Barron Designs, barrondesigns.com. "You can never go wrong with focusing on architectural ceiling trusses and beams. They add interest while enhancing the sense of volume and rustic charm."

9. Orbit 8 Chandelier, Schoolhouse,

schoolhouse.com. "Its mix of metals and distinctive design add contemporary elegance while contributing to the inviting ambiance."

10. Pure White-SW 7005, Sherwin-Williams, sherwin-williams.com. "Pure White' is my go-to. It serves as the perfect backdrop for the furnishings to take center stage."

11. Original Limited-Edition Tahoe Jetty, Peter Lik, lik.com. "Including this photograph felt like the perfect way to emphasize the home's connection to the ocean and create a serene atmosphere."

12. Mirror, Blue Ocean Traders, blueoceantraders.com. "This large-scale classic round mirror reflects light while also expanding the space."

13. Ada Dining Chairs, Ballard Designs, ballarddesigns.com. "I wanted chairs that would be comfortable yet elegant and able to withstand three kids and a black lab."

14. Custom Striped Poufs, Upholstery Workroom. "The poufs introduce a subtle nautical accent and provide versatile seating."
